The main goal of the Youth Sports Program is to provide a positive recreational experience for each participant. By communicating the recreational philosophies that underlie sports competition and teaching basic skills, we try to provide a healthy, enjoyable experience for everyone. Each player participates in every game. All children must live in or go to school in Torrance. The 90502 and 90501 zip code east of Western Avenue are not considered Torrance residency. All games for this recreational league are held on Saturdays.
